*High School is a time for many things and no yearbook can mention all those experiences which we, as a school, class or individual, have shared. In an effort to recapture and relive some of those memories and experiences, the Caper Staff has dedicated this part of the yearbook to Time.*

# TODAY

by Geena Davis

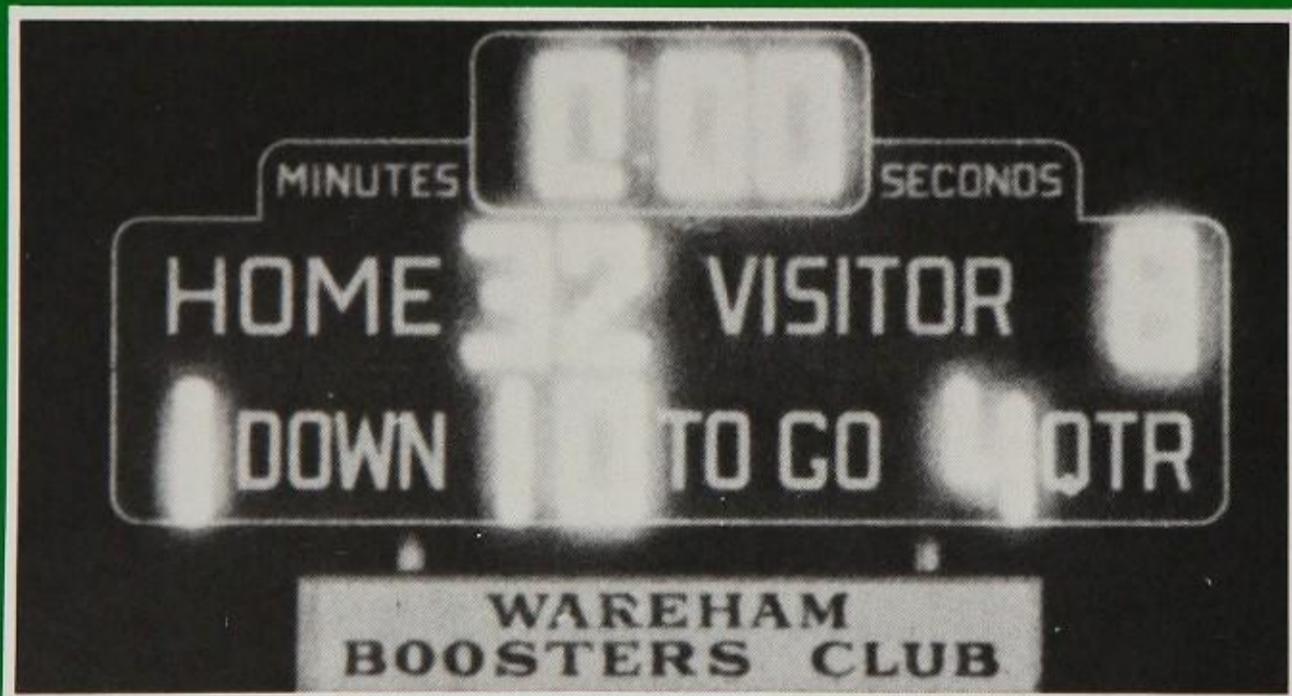

The water shines with morning's beams.  
The wind fills out our sail of dreams.  
The days have come and gone  
Now we face another dawn.  
A whole new life begins for us —  
Today.

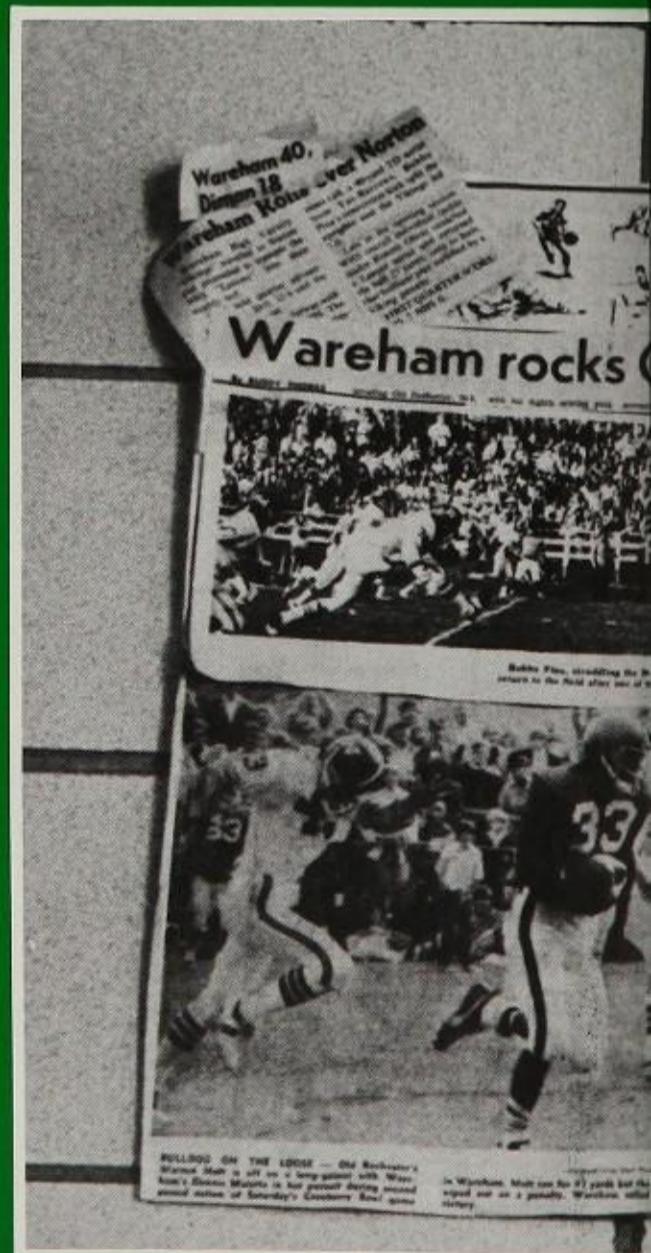

The wind is the idealism of youth.  
That gently guides us on the course of truth.  
We're on our own at last!  
The flag of freedom's on the mast.  
The best life has to give is ours —  
Today.

Yesterday the tide was not yet high.  
Tomorrow, our time may have gone by.  
Now raise a glass of life's good wine.  
We've come to the horizon line.  
Time will stand still for us just once —  
Today.

How soon our chance is gone!  
And others carry on.  
God, let us dream  
While the sunbeam  
Shines on our path —  
Today.

*“Tis the unity of the team and determination of its members  
that are the main factors comprising winning.”*

## *Dedication*

Many teachers go through their careers unrecognized for their great achievements. The 1974 Caper Staff would like to dedicate our yearbook to a great teacher who has had little recognition for his accomplishments in Wareham High School, Mr. Bradford Martin.

Mr. Martin has dedicated his life to the youth and athletics of today, not only in teaching but also in coaching. As an English teacher, he has made our language more interesting and enjoyable for the students through some of the new mini courses which he helped introduce.

However, his dedication is not limited to the classroom, for during his 22 years at Wareham, he has coached almost every sport often without financial compensation. He should also be credited as one of those responsible for entering our school in the Capeway Conference.

Mr. Martin's former experiences as a star athlete at Boston College and a player in the Cotton Bowl could be one reason for his genuine interest in youth. But whatever the real reason, he has outdone himself in the interest of young people and sports.

Mr. Martin's many years at Wareham have been years from which we students have benefited considerably. With our departure, the class of 1974 extends its thanks to Mr. Martin for his inspiration and devotion to the students at Wareham High School.

To the Class of 1974:

During your five years Wareham High School has changed. I believe this period to be one of the most productive in the history of our school. The Class of 1974 has been very much involved with the changes made in the established ways of doing things.

Socrates, when speaking about writing, made the following statement, "This invention of yours will produce forgetfulness in the minds of those who learn it, causing them to neglect their memory."

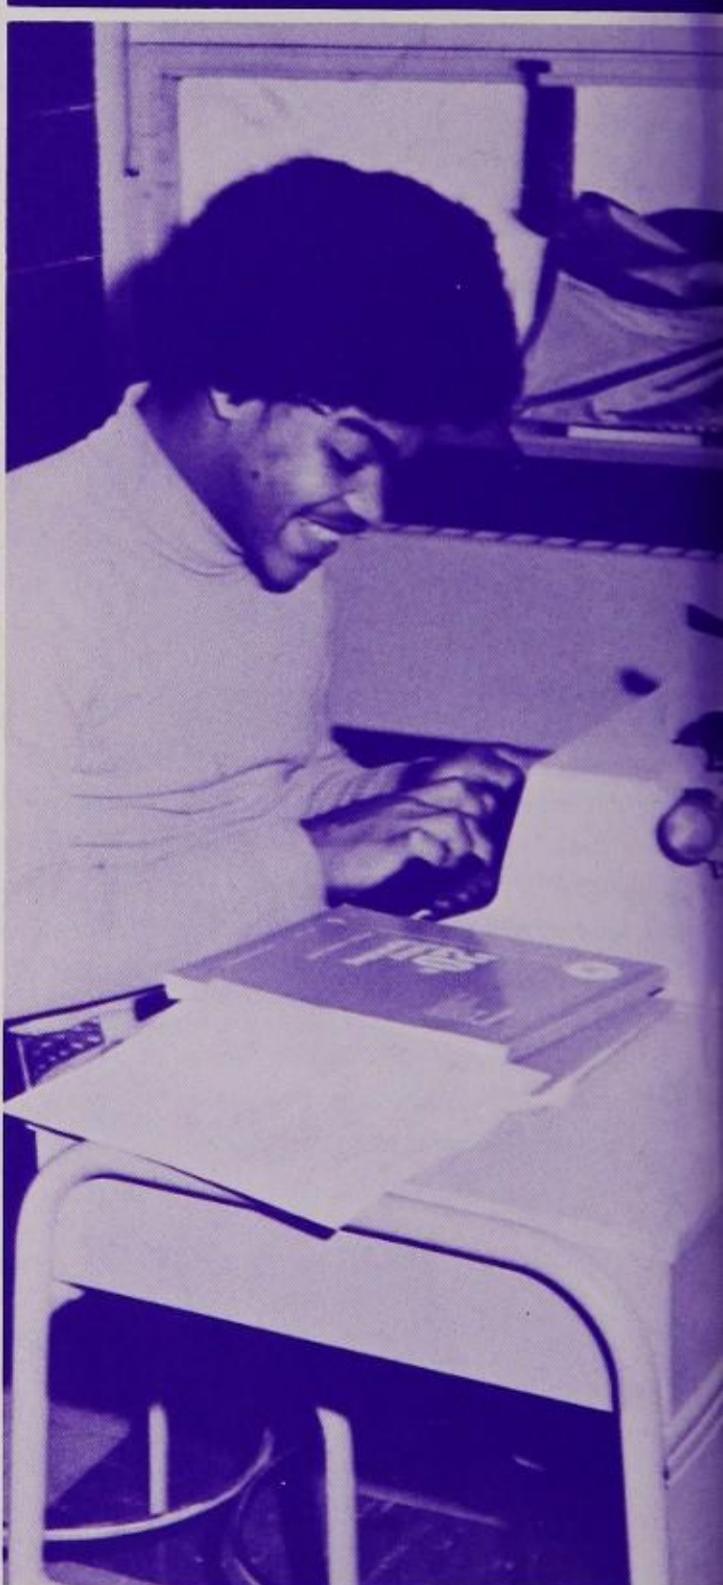

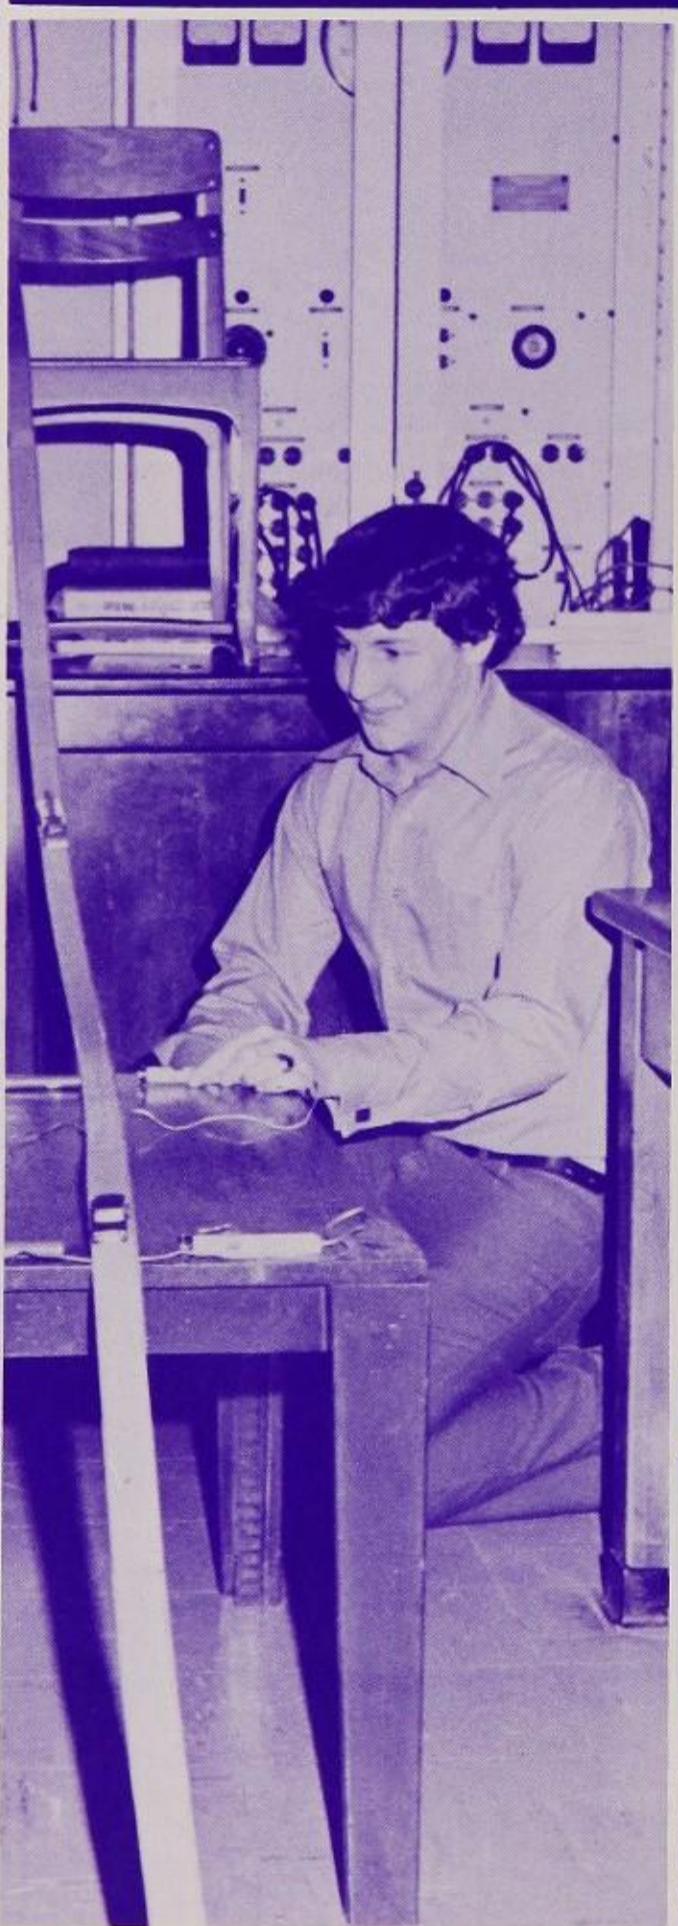

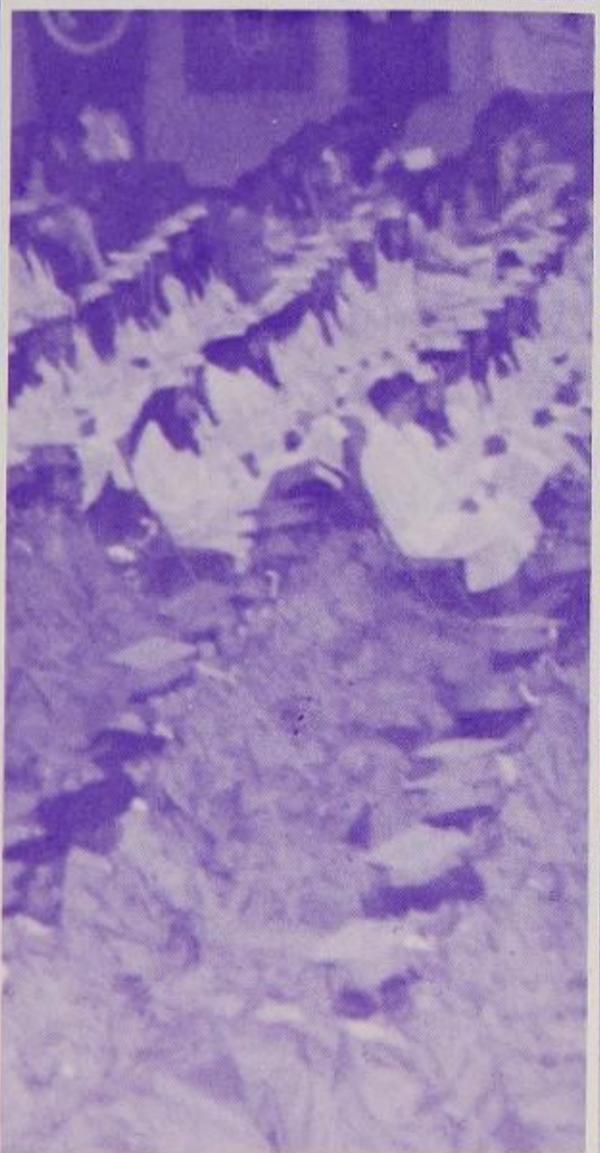

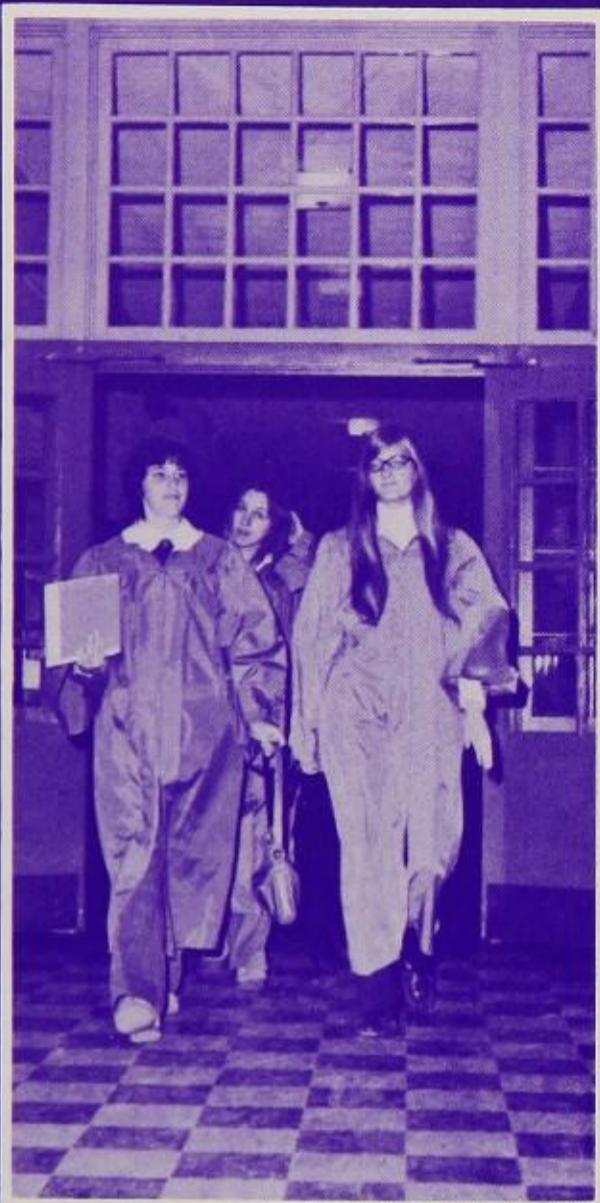

We cannot compare the changes you have seen, sponsored or resisted to the creation of a writing system but some of these changes will have an impact on the classes that follow yours. You have made it abundantly clear that you are concerned — concerned for your fellow man, concerned for the world and concerned for your future. This I classify as your major contribution and change. The ways you have chosen to demonstrate your concern and feelings about war, racial injustice, ecology and student rights have shown a high level of maturity. You've been criticized but so was the discoverer of writing by Socrates! Writing has survived and so will your worthy aspirations.

At this time you may well be facing a very critical change — that is, becoming high school graduates. This carries new responsibilities, challenges, and opportunities.

I believe you are prepared to accept and conquer your new tasks. We are indeed proud of you.

Sincerely,

William H. Paling  
Principal

# *History*

When our freshman class came stomping down the halls of W.H.S. in 1970, no one was surprised to see or hear us. We had been here since seventh grade so the school was already accustomed to our rowdiness.

Mr. Sylvia, our class advisor, soon calmed us down just long enough for us to elect class officers. Robin Fernandes won the Presidency, with Mary Baird as Vice President; Denise Bacchicocchi, Treasurer; Jayne Toole, Secretary; and Kathy McKenna as Social Chairman. With our officers elected, we began to feel the pride and maturity of an organized class.

In "70-71" under the direction and dedication of coaches Cafarella, Netto, and Stevens our freshman teams mastered the fundamentals that would later prove extremely important for our victorious varsity teams to come.

We ended our freshman year with even more noise than we started it.

As sophomores we returned to W.H.S. with a lot of summer memories. We elected Robin Fernandes as President; Kathy McKenna, Vice President; Denise Bacchicocchi, Treasurer; Jayne Toole, Secretary; and Beverly Anderson, Social Chairman.

This year was the start of Club Culture headed by Mrs. Susan Netto. During April vacation a group of students in the club visited France and saw many of the famous sites.

Jayne Toole, Emily Pina, Janet Luce, and Pat Steemson were the sophomore stars of the cheering squad. Denise Bacchicocchi joined them in our junior year. Jean Maloney was our latest contribution to the squad in our senior year. Jayne Toole and Janet Luce were made co-captains for our super senior year.

Jami Suddard, Dianne Boucher, and Jean Hawkins became majorettes and pushed a lot of school spirit during the football seasons throughout the years.

We were the first class to receive our school rings as silly sophomores. This made us feel even more of a part of Wareham High School.

Coming back from the summer wasn't as bad as the past few years because now we were upperclassmen. We seemed to get right down to business to elect our officers: Tony Fontes, President; Kenny Fontes, Vice President; Denise Bacchicocchi, Treasurer; Wendy Weich, Secretary; and Shelia Pires, Social Chairman.

Michael Montrond, Bruce Hunter, Scott Smith, Marc Johnson, and Duncan Brooks were our representatives to Boys' State. Wendy Weich represented W.H.S. at Girls' State. Barbara Pajunen and Roy Chaston represented Wareham High at the All State Musical Festival in Springfield.

Mr. James Lanagan and his expert staff guided our Varsity football team to achieve two South-Eastern Conference Championships for "72-73". With the help of Bubba Pina, Ronnie Oliver, Paul Cleveland, Frank Wyatt, Benny Gomes, Marc Johnson, Tyler Berriault, Morris Fontes, Billy Donlan, Dennis Maietta, Mark Cattabriga, Donald Rist, Alan Gabrey, and Ray Scichilone the teams boasted an 8-1 record for both years.

To top off the winning "72" football season, Wareham took first place in every event at the annual Cranberry Bowl Tournament. Wareham's representatives for the Miss Cranberry Bowl Pageant were Jean Maloney, Janet Luce, and Virginia Davis. Jean Maloney was the proud recipient of the crown.

This year was the beginning of the hockey team, coached by William Titcomb. With the help of our juniors Steven Atwood, Mike Reidy, Steve Renaut, John Beaudreau, Eric Benson, and Gregg Malone, the team played a hard fought season ending up 7-5-2. For our senior year our new contribution was Lars Sundelius.

Michael Montrond and Paul Cleveland were chosen as Class Marshalls for the class of "73". Bruce Hunter won the Harvard Book Prize.

After coming out of our summer daze, we finally realized that we were now the big bad seniors. Our officers were Tony Fontes, President; Jean Maloney, Vice President; Kathy McKenna, Secretary; Denise Bacchicocchi, Treasurer; and Shelia Pires, Social Chairman.

This year was the beginning of the S.I.S. Program at Wareham. Three students from W.H.S. went to study abroad in Sweden. They were Virginia Davis, Alfred Sylvia, and Joan Devitt. Wareham also had the privilege to host two students from Sweden: Lars Sundelius and Monica Gustavsson. They became involved with many school activities and soon made many friends.

As seniors we saw the cross country team come into the spotlight. It was their second year of running undefeated. Coached by James Brogioli, the team finished with an outstanding record. The star seniors were Mark Lanza, Rusty Kendall,

Daryl Monteiro, Duncan Brooks, Richard Higgins, and Lars Sundelius.

The basketball team had an outstanding year with only one senior, Benny Gomes. With such a young and hard fighting team, Coach Brogioli should have many more winning seasons.

Our senior class experienced many problems in our country and world, which stirred the interest within all of us. The Watergate Investigations, the resignation of the Vice-President, and the Energy Crisis are good examples from which we must learn. We sincerely hope that we can use our knowledge to solve the problems we encounter in future years.

Signed:

*Denise Bacchicocchi*  
*Mary Baird*  
*Jayne Toole*

## *Life?*

*As I stand now amid the roar  
Of a turf-tormented shore  
And I hold within my hand  
Grains of the golden sand —  
How few, yet how they creep  
Through my fingers to the deep.  
O God! Can I not grasp  
Them with a tighter clasp?  
O God! Can I not save  
One from the siteless wave?  
Is all we see or seem  
But a dream within a dream?*

## *National Honor Society*

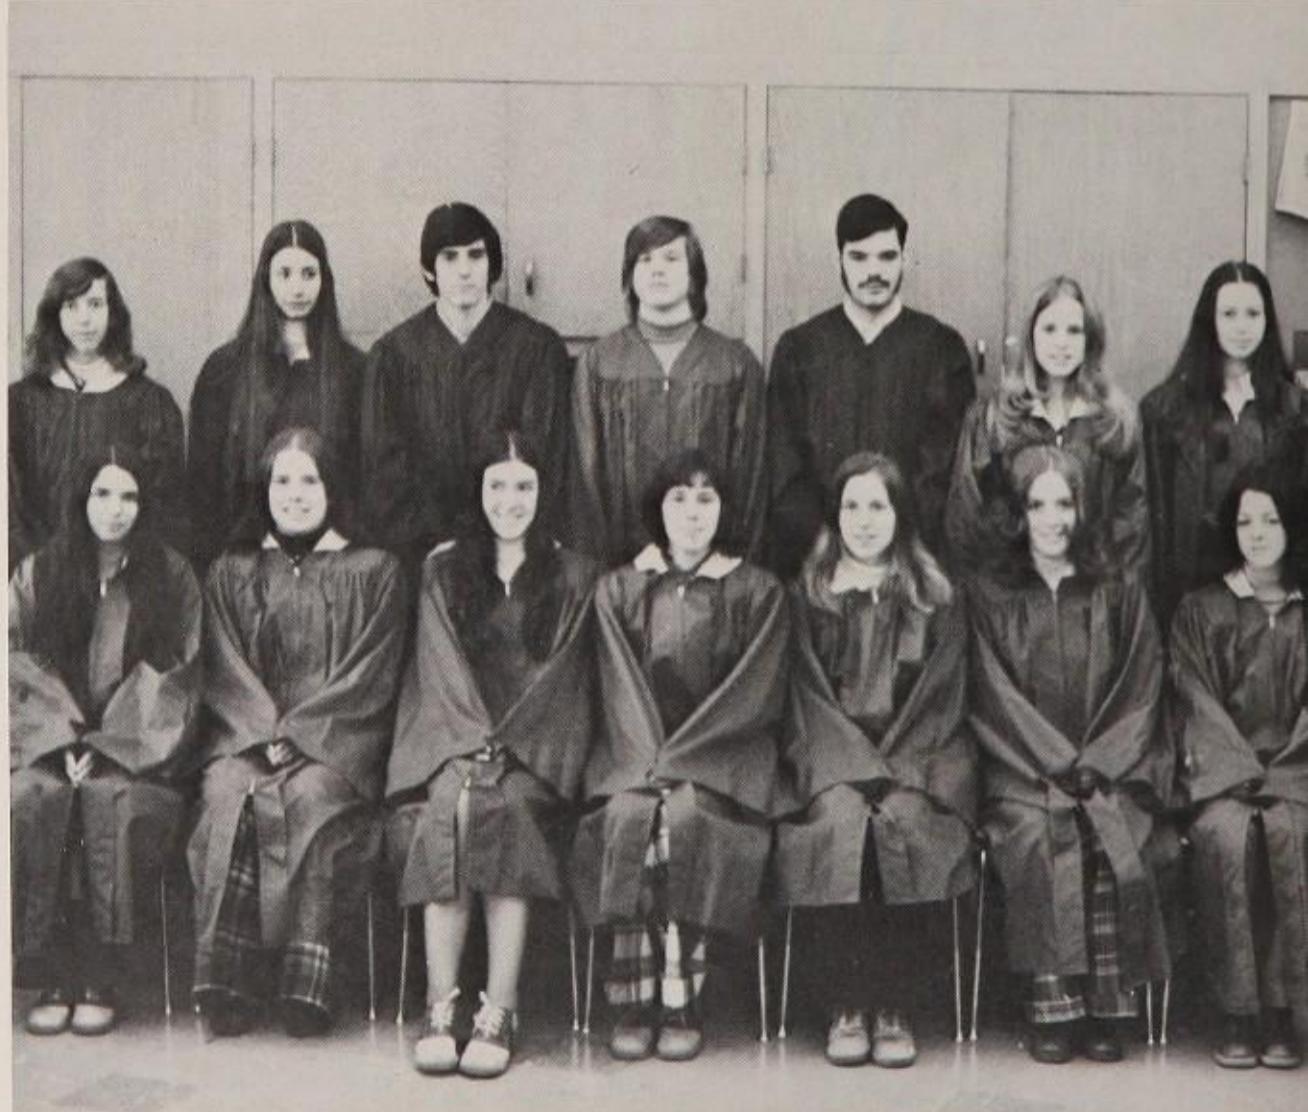

Pat Steemson, President and Miss Ruth Tompkins, Advisor.

OFFICERS: Sharon Stacey, Vice President; Pat Steemson, President; Cindy Maxim, Secretary; Wendy Weich, Treasurer.

The National Honor Society is for Juniors and Seniors who have met the scholarship requirements and show some Leadership, Character and Service. For a Junior to be considered in the fall he must have an 87 average for all of his high school career. In the spring, a Junior may be considered if he has an average of 86 for his entire 3 years. A Senior may be considered for induction either in the fall or the spring if he has an average of 85 for the previous three years. The final decision is made by a Council composed of the Heads of Department, the Principal and members of the Guidance Department.

Standing: P. Norton, C. Carey, D. Flanagan, B. Hunter, T. Franklin, J. Luce, J. Maloney. Seated: L. Franklin, D. Boucher, W. Weich, P. Steemson, S. Stacey, J. Paling, S. Page. Missing: L. Lundblad, C. Maxim, L. Lundblad.

Standing: R. Gavoni, W. Callahan, K. King, V. Britto, D. Knisell, C. Fiocchi, M. Shivers, T. Thatcher, M. Gauvin, J. Johnson. Seated: N. Maxim, C. Mallowes, M. Gauvin, N. St. Martin, J. Flemming, M. Barrett, E. Morse, K. Steemson.

The Madge N. Keith Chapter of the National Junior Honor Society is composed of students from grades 8-10 who have excelled academically. These members must also possess the qualities of character, leadership and service. There is one induction held in the spring. Decisions for elections or dismissals are made by the principal and a council of at least five faculty members.

## Code Club

The Code Club is a subsidiary organization of the Bourne Rotary Club. Its main purpose is to serve and help others both in the community and the nation. Candidates are voted into the club by the old members and must survive initiation day. The club makes frequent visits to hospitals, orphanages, and rest homes. This year they made a food basket for one of the needy families in the town for Thanksgiving Day.

## Key Club

The Key Club is an interscholastic non-profit organization sponsored by the Wareham Kiwanis. Mr. Karczewski helps direct each member to assume responsibility and leadership by having them work together to serve the school and community. This year Key Club went Coed and had girl officers, their plans are to protest Key Club International to allow girls to take part in Key Club.

## *Future Teachers*

The only requirement to become a member of F.T.A. is having intentions of entering the teaching profession. This year the club has elected Pat Steemson, president; Cindy Maxim, vice president; Angela Andrade, secretary; and Livia DaSilva, treasurer. By acting as aides to the elementary teachers, they obtain the fundamentals and experience needed in reaching their goal.

From Left to Right: W. Weich, K. Amado, S. Stacey, V. Fernandes, A. Andrade, P. Steemson, L. Viera, L. DaSilva, T. Pacheco and S. Sylvester.

## *Future Nurses*

L to R: A. Makreys, D. Cardoza, C. Lundblad, L. Carbone, D. Small, R. Arruda and S. Lake.

The purpose of the Future Nurses is to bring together the high school students interested in careers in nursing and health in order to share their interests, to explore opportunities and requirements in these fields, to grow as individuals by working together and to learn about community life in which they soon will participate as citizens. Visits to other hospitals, volunteer work at Tobey Hospital, the sale of Christmas candles and donation to Tobey make up the program for the year.

## *Student Council*

OFFICERS: W. Donlan, Treas., C. Gibson, V. Pres., R. Fernandes, Pres., S. Sylvester, Sec., C. McGraw, Rep.

The Student Council is the students' elected representatives which voices the opinions of the student body. The council has two main objectives. One is to meet the needs and desires of those it represents; and two, to bring about an understanding between the students and the faculty. It is also the director of all activities held here in the school in order to prevent mass confusion.

The Student Council, which has been under the direction of Mr. Jeff Hathaway for the past two years, is the most important organization within Wareham High.

The school newspaper has undergone several changes in the last three years. Before, the paper had always been titled the "Gateway Gazette" and published in the *Wareham Courier*. Last year, the newspaper was transferred from an activity to an organized class and the title was changed to "What's Going On" in order to emphasize the new style and quality of the paper. This year, the title was changed to "Viking Express," in order that the paper could relate more with the school. With a very small group of students, the staff has worked diligently to construct and organize a school paper that will gain the interest and respect of the student body.

New to Wareham High School is the S.I.S. (Student International Service). This organization works with the school and the town S.I.S. committee to help promote the exchange of students between our community and various countries abroad. The purpose of the exchange is to give people throughout the world a chance to meet and better understand each other. Two students from Sweden, Monica Gustavsson and Lars Sundelius are attending W.H.S. for the entire year, functioning in clubs, sports, etc. Monica is residing with the Stacey's of Pinehurst, while Lars resides with the Brigg's of East Wareham.

Several Wareham students were sent abroad to Sweden for the entire year residing with several families over there. This has turned out to be a great success and very rewarding experience for all concerned.

## *Student Leaders*

Student Leaders play a very important role in the physical education program in Wareham High School. They organize the gym classes and demonstrate physical skill to the pupils. They are selected for their academic ability, physical skill, personality and leadership.

ADVISOR: Gail Tate

The main purpose of the Drama Club is to teach its members the basic aspects of the acting profession. The skills learned by the members of the club are beneficial in many ways. They broaden a person's imagination, and increase his poise and ability to present his viewpoints in front of people.

As long as there have been sports there have been coaches. These coaches, through their endeavors, have taught the participants not only the rules of a game, but the necessary attitudes for the success of a team.

However, the coaches at Wareham High School are particularly special. All of their time is thoroughly devoted to the team. They strive to instill an attitude of good sportsmanship in each and every player. Every coach feels that it is his or her duty to encourage and influence the members of the team to develop their abilities and to reach their uppermost goals.

Whether the team experiences victory or defeat, the attitude and leadership of our coaches strongly influence the team. If a coach is depressed about a loss, the team will imitate this attitude. However, if a coach takes this loss in stride, determined to return next time with a victory, then the team will also adopt this determination and, most likely, will return with a victory.

Each of our coaches is unique in his or her own way. Yet, they all have one common quality: they all are necessary to the success of a team and all mean something special to everyone who is around them daily. Their smiles, their encouragement, their influence and their unrelenting efforts are all unique qualities which cannot be found in every person. However, each and every one of Wareham High School's coaches hold all of these distinct characteristics.

For this reason, the Class of 1974 would like to dedicate our sports section to our coaches at Wareham High School with gratitude for their devotion and influence over the entire student body.

The 1973-74 Wareham Viking Football Team once again showed to be the CLASS of the South-Eastern Conference Division III. For the second year in a row the Vikings rolled through the conference undefeated, with the seniors leading the way.

The season reached its high point while preparing for, and participating in the last two games of the year. Wareham had to beat Case High of Swansea in order to win the Conference Championship. The team didn't fail those participating in Spirit Week, when it over powered Case 28-7. Of course, the ever awaiting clash with undefeated Bourne High School on Thanksgiving remained inevitable. With the chance of a State Championship in the offering, the Vikings put on the best display of football seen in a long time. Wareham smashed State division III leader, Bourne High School 36-22.

The school and the town were really proud of this team and along with the other Fall Athletic teams were honored in a memorable banquet at the Elks home. It was a fitting tribute to a fine Championship season.

Wareham High School's basketball season ended with a 16-4 seasonal record, and a 17-5 overall record. Our congratulations go to Benny Gomes, our only senior player.

The basketball team won the co-championship of the Southeastern Conference Div. III by tying with Norton and Diman Voke for a 6-3 league record. For the second time in four seasons, the team went on to the Tech Turney, beating Chatham 56-54 but losing to Dover-Sherborn 72-52.

The hockey team finished the 1973-'74 season with a 9-6-3 record. This was the second year for hockey and also the second winning season. The team overcame many obstacles to achieve victory. The major problem was the team had only 3 hours of ice time for practice each week. Excitement was provided by the "senior seven." Our seniors produced a fast hard-hitting breed of hockey, which many teams found difficult to equal. We sincerely feel our hockey team will grow to be bigger and better in years to come.

"The girl's field hockey team lost another hard fought battle yesterday, losing to . . ."

That was the story of this year's field hockey team, despite their strong efforts. This is Wareham's first year for girl's hockey as a varsity sport. Although the record did not show their ability, they demonstrated outstanding potential. Wareham's strongest point was their defense which improved as the season progressed. Hopefully, their record will improve in the seasons to come.

# Action . . . . .

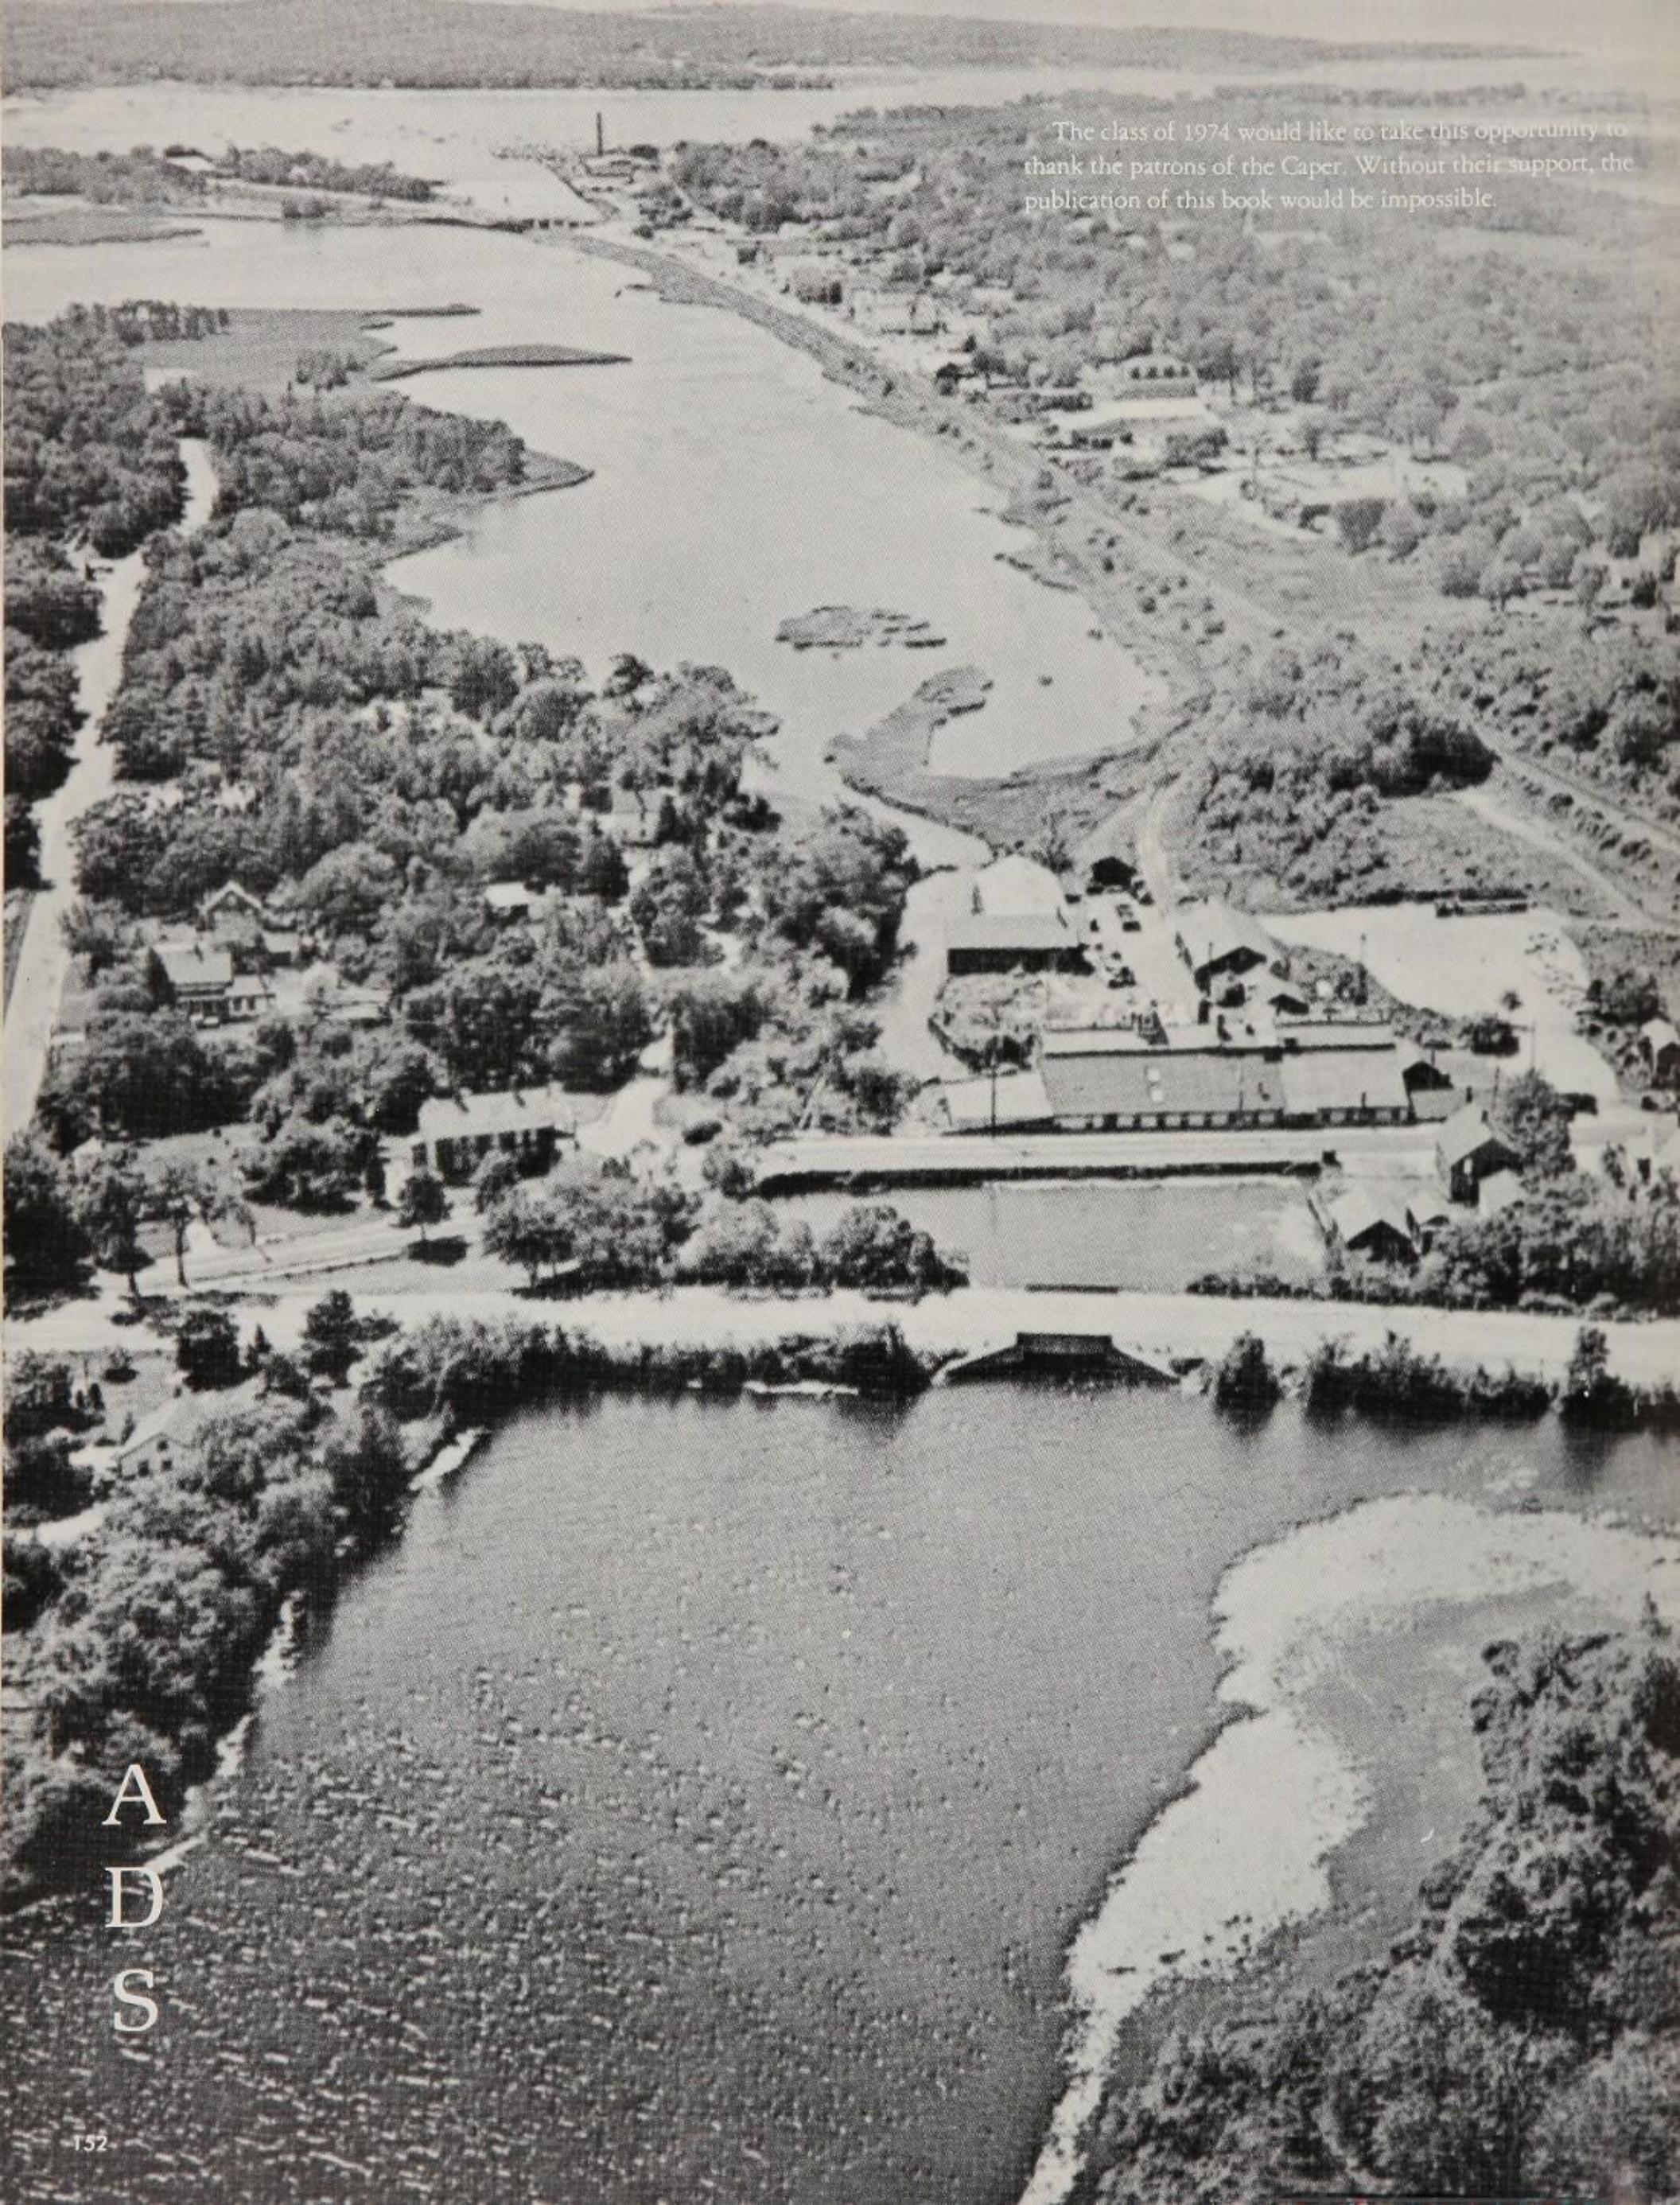

It is nearing the end of our book, and the Caper staff would like to thank a special member of our class who will not be able to graduate this year. Throughout our high school years he's been there — screaming at us, complaining, but still caring. He's been our official class auctioneer and master of ceremonies at countless assemblies. He's been our class advisor for the last four years and our yearbook advisor this year. We can not thank Mr. Clifford Sylvia enough for his 100% dedication and devotion to our class. If there is any one "classmate" who we will miss most after Graduation it will be Mr. Sylvia. Our class would like to wish him the best of luck and happiness in the future.

An aerial black and white photograph of a coastal town. In the center, a large industrial complex with several buildings and a tall smokestack is situated next to a body of water. To the right, a lighthouse stands on a rocky outcrop. The town is surrounded by a mix of dense forest and open fields. The water features several small, irregularly shaped islands. The overall scene is a blend of natural beauty and human-made industrial infrastructure.

The class of 1974 would like to take this opportunity to thank the patrons of the Caper. Without their support, the publication of this book would be impossible.
